RESPONSE TO NOTICE OF NONRESPONSIVENESS

In response to the notice of nonresponsiveness dated September 25, 2003, kindly consider the following.

Applicant herewith amends the drawing to show 1) a line between the controller and the electrostatic detection module 108, and 2) a line, representing the electrostatic attraction, between the module 108 way and the mirror. It is respectfully suggested that they should obviate the objections made by the examiner.

In view of the above, therefore, all of the claims should be in condition for allowance. A formal notice to that effect is respectfully solicited.
